WARA BATOOL

BIOTECHNOLOGY • BANKING OPERATIONS • COMPLIANCE

Karachi, Pakistan | Phone: [Add phone number] | Email: [Add professional email] | LinkedIn: [Add profile link, if available]

PROFESSIONAL SUMMARY

Detail-oriented professional with an academic background in Biotechnology and practical exposure to clinical laboratory environments, alongside experience in a banking associate program. Familiar with laboratory sample handling, microbiology workflows, molecular diagnostic techniques, and biosafety practices. Developing knowledge of banking operations, customer due diligence, KYC/AML requirements, and compliance documentation. Brings analytical thinking, accuracy, teamwork, and a strong commitment to confidentiality and procedure-based work.

PROFESSIONAL EXPERIENCE

Science & Engineering Associate Program (SEAP) — United Bank Limited (UBL)

[Add start month/year] – Present | Banking / Operations / Compliance exposure

- Support banking-related operational and compliance activities in line with internal procedures and documentation requirements.
- Develop working knowledge of KYC, customer due diligence, AML controls, CRS/TIN documentation, and compliance follow-ups.
- Review information for completeness and accuracy, identify missing or inconsistent documentation, and communicate rectification requirements professionally.
- Use Microsoft Excel for tracking, follow-up dates, and monitoring pending or overdue items.
- Handle customer and account information with care, confidentiality, and attention to detail.

Laboratory Intern — National Medical Center

Hematology, Microbiology, Clinical Pathology & Molecular Laboratories | [Add dates]

- Assisted with sample handling and microbiology laboratory workflows, including culture media preparation.
- Observed and supported blood smear evaluation and routine testing procedures under laboratory supervision.
- Observed DNA extraction and PCR setup in the molecular diagnostics laboratory.
- Followed biosafety, biosecurity, laboratory hygiene, and safe specimen-handling practices.

EDUCATION

Bachelor of Science (BS) in Biotechnology — University of Karachi

[Add completion year or expected graduation date]
